

Donald Stewart

7-29-27 to 9-3-13

Don was a native of Ithaca, NY but spent his early childhood in Houston, TX before coming to the West Coast where he lived in Davis and then Berkeley. After serving in the Navy, he attended UC Berkeley and UC San Francisco Medical School.

Don completed his pediatric residency in San Francisco and started his practice in San Jose in 1956.

He met his wife Shirley at a party at Cal, although both had gone to Berkeley High together. They married in 1950 and had two children and four grandchildren. Don was an avid fly fisherman and fly-tier. He also enjoyed bridge, gardening, French and digital photography. He took almost all of the portraits for the SRC residents' biography books and many photos for the 'Toga Times.
