

Barbara Moore      July 6, 1938 to February 24, 2021

Barbara was born in Knoxville, TN, attended Knoxville College and went to Nashville to get her nursing degree (BSN) at Meharry Medical College. She met her husband-to-be, Eddie, in classes there, where he was getting his MD. They were married in 1961.

Barbara accompanied her husband to Chicago, for his residency in pediatrics, where she spent three years at the University of Illinois Hospital training as a specialist in pediatric nursing. When Eddie entered active duty in the US Air Force, Barbara accompanied him to Portland, OR where she served as a pediatric nurse at Emmanuel Hospital. After the Air Force she joined Eddie for his post-graduated training in pediatric Nephrology at Albert Einstein College of Medicine Hospital, Bronx, NY where she served as a pediatric nurse.

Barbara enjoyed working with children. She was a volunteer with Girl Scouts, PTA, community affairs and for her church in Knoxville. Barbara especially enjoyed teaching Great Books to children. Barbara found invigorating relaxation, calmness and peace in her hobbies of arts and crafts.

Her most memorable trip was a Bareboat cruise in the Caribbean.

She leaves Eddie, a son and a daughter and four grandchildren.
