

Marilyn Zaklan

August 13, 1925 to April 28, 2015

Marilyn, a native of Fresno, CA, has an M.S. in psychology and is a certified graphologist. Her husband was an engineer and CEO of Western Forge and Flange whose work kept them moving (10 times in 13 years) including three years in India with three young children and nine servants. The family finally settled in Monte Sereno for 30 some years. After her husband died, Marilyn moved across the Bay to Rossmoor for seven years before returning here to SRC. She enjoys music and creative writing.
