

Pat Renn

March 9, 1929 to October 7, 2021

Pat was born nearby in San Jose and raised in Los Gatos. She attended Lexington and Los Gatos grammar schools. After graduating from Los Gatos High she enrolled at San Jose State University for a degree in business.

Pat met her husband while working for Golden State Dairy as a bookkeeper. She continues to use her business skills for the family's current petroleum operation, Renn Transportation. Pat's husband, Jerry, was also the Saratoga Volunteer Fire Chief for 14 years. Pat clearly remembers a time in the early 1960s, when a large nighttime fire burned down a barn on the property of the Odd Fellows Home, here in Saratoga.

From 1976 through 2006, Pat and her husband lived on the Delta at Discovery Bay. Widowed in 2006, after 55 years of marriage, Pat returned to Saratoga to be close to her son, his wife and five children. The Renn family has lived in Saratoga since 1893 and Pat's great grandsons, Tyson and Dylan have now begun the sixth generation of Saratoga Renns!

Pat was a member of the Saratoga Foothill Club and her hobbies are sewing, knitting, playing Mah Jong and Bocce Ball.

Joined SRC: May 2007
