

Ted Lohr Apt. 4207 Ext. 7704
9-30-1935 to 1-26-2021

Ted was born in Johnstown, Pennsylvania, but arrived in Alameda at age six and graduated from high school there before getting a degree in mechanical engineering at Cal Poly, San Louis Obispo. He then moved to Sunnyvale to work for Westinghouse for 35 years. He met his wife, Virginia Miller, playing tennis. She was a teacher and tennis coach at Pioneer High School in San Jose. They were married for 34 years before she died in 2017. She had two children and he has a daughter, all from previous marriages, but they now have five grandchildren.

Besides tennis, he played golf and belonged to Seascape Golf Club in Aptos where they lived the past 18 years. Before that, they lived in Saratoga, for 30 years.

He is a big sports fan, following the Giants, 49ers and Warriors. Business trips took him mainly to Japan and Spain, but he has enjoyed at least 20 trips to Mexico and Hawaii with a group of Saratoga friends. He enjoys returning to the San Luis Obispo area at least twice a year for the great golf courses in that area. He looks forward to joining many of his friends here at SRC.
