

Bob Lenormand
Died: March 6, 2025

Bob was born and raised in San Francisco. He met his wife Marilyn on a blind date and after they were married they moved to Pacifica. They also had a second child and later three grandchildren.

Bob got an AA degree as an apprentice ship fitter in the San Francisco Navy Shipyard. From there he went to the Accounting Department at Bechtel Corp. where he worked for 20 years

Bob enjoyed playing football and softball in his younger days, and now he enjoys crossword puzzles. Their favorite trips were two to Japan, two to Italy and one to Germany.

After he retired, he and Marilyn opened a specialty coffee shop in San Bruno called the “Bump and Grind.” Working seven days a week for seven years, they took early retirement and moved to a cottage at Saratoga Retirement Community among the “Pioneers” on Jan. 5, 2005. They downsized to 4210 in 2019. Marilyn died on May 23, 2022.

Bob and Marilyn served as mentors for many new residents and were the “unofficial hosts” of the before-dinner wine group in the Tavern.
