

**Kenneth A. (Ken) Robinson**

Died: June 8, 2023

Ken joined us at SRC after living in Los Gatos for almost 40 years. He was born in Detroit, Michigan, and spent his childhood there.

He served in the US Army Medical Services Corp and was stationed for the most part in Hawaii. After his discharge, he moved to the Bay Area where he started his career in the Health Care Industry. Ken has owned and operated skilled nursing facilities in California for many years, including facilities located in the Bay Area and in Southern California. He now owns and manages a commercial real estate portfolio, basing his business in an office in San Jose.

Ken and his wife raised a son and daughter in Los Gatos, and he has three grandchildren all living in the area. He formerly enjoyed golf, boating and fishing, especially fly-fishing in Canada. Vacations generally involved cruise ships, and he has visited every continent except Antarctica.

He was introduced to SRC by a resident who is the friend of a good friend.
