

Shirley Moran      March 5, 1931 to March 1, 2017

Shirley grew up in Pasadena, California where she graduated from high school and went on to get a degree in Library Science at UCLA. After working on campus, she took a job with the Institute of Aeronautical Sciences where she met her husband Dana. Their first date was at the Hollywood Palladium, dancing to the music of Harry James. Shirley then worked for a developer where she learned accounting and other skills which led her to run her own bookkeeping business for many years. She and Dana were married in 1955 and their daughter Kelly was born in 1960. In Los Angeles, Shirley was a volunteer at the Crippled Children's Society, and when they moved to Columbus, OH, where Dana worked for Battelle, she volunteered at the Center of Science and Industry and at the Art Museum. The family moved to Golden, Colorado in 1977 and in 2009 Shirley and Dana moved to SRC to be closer to their daughter who lives in the Bay Area. Shirley was active at SRC and was secretary of the dining committee for several years.
