

Margaret "Peggy" Coogan

1925 to 2/19/2021

A fourth generation Californian, Peggy was born and raised in Oakland. She left California to attend Stephens College in Columbia, MO. At a party back in California she met her husband, who had grown up nearby in Oakland. They were married six months later and have four children and two grandchildren. They first lived in Piedmont and then in Saratoga for 50 years. Peggy's husband died in 2005.

Peggy and two friends started a local catering business called Napkin Ring where she worked for a number of years before retiring. The business is still going strong. Peggy's hobbies are gardening, cooking and reading.

Her favorite place to visit is France, but she cherishes the family gatherings in Hawaii where her daughter and grandchildren live.
