

Donna Holman

1-21-1929 to 8-4-2015

Donna was born in IL but grew up in Tulsa, OK. She got a teaching degree at the University of Tulsa and after getting a Master's degree at Oklahoma State U. at Stillwater, she taught second grade for 15 years. She met her husband in college and married him at 19. He became manager of research and development at Phillips Petroleum in Bartlesville, OK (50 miles from Tulsa) where they lived until retiring to Arkansas. They spent one year traveling around the US in a motor home. They also spent 22 winters in Mesa, AZ.

They enjoyed traveling the world as well. Her best memory was a safari in Kenya. Her worst memory was trekking in Nepal where she fell, suffered a crushed ankle and had to be helicoptered to a hospital in Katmandu, where she spent 10 miserable days.

Donna has a son in Los Altos, a daughter in Utah, two granddaughters and one great grandson. Her husband died in 2004. Her hobbies are bridge, reading, hiking, swimming and fishing. She has been active in the League of Women Voters and plans to continue her work here. She loves the weather in Saratoga and likes SRC better every day!

Donna moved to Assisted Living in April 2013.
